me: dude
me: Skyrim
me: dude
me: http://www.pcgamer.com/2011/03/18/elder-scrolls-v-skyrim-preview/
me: dude
Andrew: oh shit
me: Radiant Story...
me: improved Radiant AI
Andrew: i call bullshit on those
me: everything is fixed
me: dude, I know
Andrew: radiant AI never worked
me: I've been hurt too
me: but just read it
me: you need to learn to love again
Andrew: ill get back to you in 30 minutes
me: k
Andrew: about learning to love again
Andrew: finishing moves LOL
Andrew: i dunno dude
me: I know
Andrew: im excited and all
Andrew: but some of this sounds like weak sauce
Andrew: then I se emore screenshots
me: yeah
Andrew: and immediately fall in love again
me: they're getting this one right, man
me: they're bringing back Enchantment
Andrew: she a total bitch - but shes so hot I cant say no
me: and otherwise providing this serious customability shit
Andrew: we'll see
Andrew: levitation too
me: oh snap
Andrew: and no zoom on conversation
me: yeah lol
me: also
Andrew: which I was ambivalent about anyway, but whatever

me: you can farm and shit
Andrew: yeah, and mill or mine or whatnot
Andrew: full economy
Andrew: id be surprised if 90% of this happens or is nearly as cool as it sounds
Andrew: but still
